John 19:6-8

We see Pilate’s primary motive for murdering Jesus is fear of people. I pray for all of us they we can have more respect for God then fear of people.

Sermon: Fearless Part 1: Worry less about Worry

Scripture Reference:

²⁵ “Therefore I tell you, do not worry about your life, what you will eat or drink; or about your body, what you will wear. Is not life more than food, and the body more than clothes? ²⁶ Look at the birds of the air; they do not sow or reap or store away in barns, and yet your heavenly Father feeds them. Are you not much more valuable than they? ²⁷ Can any one of you by worrying add a single hour to your life?”

Matthew 6:25-27 (NIV)

Things I would like to remember from today’s message:

MONDAY, SEPTEMBER 24TH 2012

Mark 4:35-41

I love this parable because it is a metaphor for our own lives. We will go through storms, yet Jesus will be there with us, remaining calm, the entire time.

- We have all been through difficult moments. What is something you have been through or may be going through now? Where do you think Jesus is in your circumstances? What would he like to say to you?
- Worry is a natural feeling for us to have as humans. How can we focus on worrying less? What are some things you could talk to God about?

Genesis 3:6-10

The story of “the fall of man” is one I can relate to. Adam and Eve are faced with temptation and decide to do what felt natural and eat the food even though they were given explicit instructions against doing so.

- Adam decides he is going to hide from God because he is afraid. His fear separated him from God. Have you ever been afraid of God after you have sinned?
- I love God’s reaction to Adam and Eve after they have sinned. God seeks them out. God wants to have relationship with us. He does not wait for us to act. Even though we may be afraid, He always wants us to be near to Him.

Matthew 14:22-33

Again we have the story of the disciples, a boat, and Jesus. Here there is not a “storm”, but big waves or wind that makes Peter lose his faith.

- Walking on water is not easy task. This was a supernatural phenomenon. Yet God is calling us to do “out of the ordinary” things each and every day. We may not walk on water, but we can change the world with love.
- Peter began to sink once he took his eyes off of Jesus. What are some things in your life that make you take your eyes off Jesus? What are some ways you can remain focused on Jesus.

1 Samuel 15:24-25

King Saul has been the king of Israel yet instead of being a leader who follows God, he follows the voices of the people. The consequence is his family will eventually lose power to David.

- As Christians most of the time the voice of the people will contradict what God’s will is for our life. Listening to others is something we all struggle with. If we do we will be more accepted, yet we are setting ourselves up to forfeit God’s blessing.
- What are some areas you feel a tension between God’s will and the crowds (family, friends, work) will?
